

## GIRLS JUST WANT TO HAVE FUN, TOO!

The MG Car Club of Toronto is proud and excited to host the 19<sup>th</sup> annual NAMGBR event in Belleville, Ontario in June 2010.

Belleville is located on the shores of Lake Ontario between Toronto and Kingston in Prince Edward County. The county is now the 2<sup>nd</sup> largest wine growing region in Ontario with Belleville being the “Gateway” to this area.

All of us enjoy riding in our MG's, especially when the weather co-operates. The unspoiled countryside in this area lends itself to great driving tours and we have both directed and self directed tours available for you. There are many little shops, artisans and wineries for you to browse and explore as you wind your way along the picturesque roads and trails.

We've added something a little different to this year's event..., a “Ladies Program”. We know, as much as you enjoy looking at, and driving in these fun little cars, we do need something specifically dedicated for the women who attend these car shows. That's where the ladies of the MG Car Club of Toronto come in.....we've added several events for you to enjoy (and of course, the men are always welcome to join in).

We've arranged several events, starting on Thursday, June 24, 2010. We all know how hectic life can be. Whether you're a “Goddess on the Go”... or a “Diva on the Dash”, a representative from Mary Kay Cosmetics will show us some makeup tips and techniques. That same afternoon, we've arranged for a party from UndercoverWear featuring their lingerie, spa products and lotions... so come join in the laughter, browse, have fun and even shop with us.

On Friday, June 25<sup>th</sup>, while the men are at their “Tech Talks and the Shannonville Raceway”, we've put together a bus tour of Prince Edward County. We'll be visiting some fun and unique venues this county has to offer. We've included a tour and wine tasting at a local winery, as well as a luncheon at a Garden Bistro, which will include a fashion show put on by local merchants. What would a day be without a little shopping, so we'll finish our outing with a visit to several local shops in the area.

On Saturday, June 26 the day starts with the car show. After you've visited that, you can browse and shop at the Silpada Designs jewellery show and sale that will be set up in the Ramada. As well, we've organized an “Afternoon Tea” with Stephanie Batt from the Toronto MG Car Club who will introduce us to the “Language of Flowers and Design”.

More details are on the [Ladies Program page](#) of this website, including pricing and pre-registration if required.

We look forward to meeting you and hope you'll join us for these fun events we've set up. After all, we know that ...”Girls Just Want to Have Fun, too!” See you in Belleville!
