Dear Mr. MacFarlane:

On behalf of my colleagues on Council, I am pleased to provide this letter in support of the MG Car Club of Toronto bringing their North American MG Club Convention to Belleville in 2010.

Belleville would be an ideal location to hold such an event. We are located on Highway 401 giving easy access to people traveling from both Eastern and Western Canada and the United States. Belleville is a vibrant community located on the beautiful Bay of Quinte with a mix of urban and rural areas, all of which offer visitors the amenities of a big city, with the charm and character of a small town.

We welcome the opportunity to be the host City for such an exciting event. You will not be disappointed with your decision should you choose the 'Friendly' City as the destination for the 2010 North American MG Club Convention. If you have any concerns whatsoever, please do not hesitate to contact me.

Yours truly,

Neil R. Ellis
Mayor
